OUR MISSION AND GOALS

At Kind Souls, our passion is facilitating access to no-cost emotional support resources to the injured or ill and their immediate family members and primary caregiver as they navigate the unexpected experience of a workplace injury, illness, or extended disability. Kind Souls' vision is to cultivate a resource where individuals and families can turn for emotional support and to improve their overall experience with the Workers Compensation, Leave of Absence, and Disability systems.

THE SERVICES WE PROVIDE

LIVE LINE | Emotional Support:

Kind Souls offers on-demand or pre-scheduled secure, virtual face-to-face, and phone based emotional support sessions where individuals who have experienced a job-displacing injury or illness can connect to a Kind Soul who is available to listen and emotionally support them through uncertain times.

RESOURCE NAVIGATION:

Kind Souls offers resource navigation and maintains a repository of state-by-state resource guides to assist individuals and families interface with challenging healthcare and disability systems. Additionally Kind Souls will facilitate connection to local resources such as food banks as they navigate new and shifting landscapes.

HOW YOUR CONTRIBUTION WILL MAKE A DIFFERENCE
